

THE JOURNEY OF A LIFETIME

Concierge Care® for Mom and Baby

Through pre-conception, pregnancy, labor and delivery and baby's first 15 months, Concierge Care guides mom along every step. GoMo Health delivers a virtual care coordinator who offers personalized direction via mobile, tablet and smart home devices, interactively guiding Mom's healthcare journey.

Experience the mother/baby journey utilizing key features of our solutions:

PRE-CONCEPTION	 <p>I'm Caren, your fertility concierge. Start by asking me a question about your treatment, like "how do I take my medication?"</p>	 <p>Voice-Activated</p>
1-10 WEEKS PREGNANT	<p>If you have morning sickness, it may help to eat crackers or take ginger supplements. Ask your provider for more options.</p> 	 <p>Wellness Check</p>
11-20 WEEKS PREGNANT	 <p>Megan, make sure you take your prenatal vitamins every day! If yours make you sick, talk to your provider.</p>	 <p>Medication Reminder</p>
21-30 WEEKS PREGNANT	<p>Hi Megan, I'd like to set up a video visit with you to discuss the results of your glucose tolerance test. Click here...</p> 	 <p>Video Visit</p>
31-40 WEEKS PREGNANT	 <p>We hope this prenatal program has been helpful throughout your pregnancy. Let us know by taking this quick survey...</p>	 <p>Survey Feedback</p>
IN HOSPITAL	<p>USE YOUR MOBILE DEVICE TO CHOOSE A COMFORT:</p> <div>      </div> <p>Food Service My Room Birth Certificate Lactation Staff Applause</p>	 <p>Patient Requests</p>
HOSPITAL DISCHARGE	 <p>This resource is designed to provide you with "need to know" information required by the state prior to discharge.</p>	 <p>Self-Guided Resources</p>
UP TO 8 WEEKS OLD	<p>Create a Crying Plan so that when Connor cries a lot, you can calmly help him. Text CRYPLAN for samples.</p> 	 <p>Keyword Response</p>
3-6 MONTHS OLD	 <p>Laughter is one of the best ways to connect with your baby. See what Connor finds funny by tickling him and making funny faces and noises.</p>	 <p>Personalized Messages</p>
7-9 MONTHS OLD	<p>Babies can roll off a bed or table in seconds. Be watchful when placing him on a bed or changing table.</p> 	 <p>Care Messaging</p>
10-12 MONTHS OLD	 <p>Connor is almost 1! Wow! He may be able to wave "bye-bye" by now. Click here to see what else Connor may be doing at this age....</p>	 <p>Milestone Messages</p>
13-15 MONTHS OLD	<p>By now your baby has gone through so many growth changes. It's important to schedule a 15 month Dr. visit! Click here to schedule an appointment...</p> 	 <p>Appointment Scheduling</p>
